Common Senser There is nothing so un-common as common sense Neither is there anything so unpopular. Common sense as a characteristic, is found among nations as well as individuals. And like the case of individuals, illustrates its great value.

In Europe we have nations that excel in every

thing appertaining to the metaphisical, the obscurand abtruse. Also we find those which excel in the arts and sciences, in romance, and artificial representations on the stage. You will find also, a few will always keep a regular assortment of PIANOS of the countries, where the hard common sense of the peomost celebrated manufacture, viz: 6, 64, 65, 65 and 7 octave ple eminently distinguish them from the other .-Such are Switzerland, Holland, Prussia, and England.
